

# Lake Wentworth/ Crescent Lake Watershed Plan — now you can get the whole picture

The product of two full years of scientific work, the Lake Wentworth/Crescent Lake Watershed Management Plan report provides:

- A snapshot of water quality trends in the lakes since the 1980s
- New water quality goals
- Watershed-wide data in GIS map form
- Extensive design strategies to lessen stormwater runoff into our streams and lakes

## ---- ORDER FORM ----

To order your own copy of the 178-page watershed management plan report, fill out the form below and send a check to: Lake Wentworth Foundation, PO Box 2235, Wolfboro, NH 03894. The price of **\$48 per copy** includes mailing. All orders must be received by July 31, 2013.
